## Big News!

### Tang Hall Big Local Membership and Local Plan Launch!

Our Fun In The Park event on Saturday 9th October marked the official launch of our membership scheme and the latest phase of our local plan. The event hosted birds of prey, crazy golf, giant games and an excellent lunch cooked by Choose 2 Youth Cafe.

Membership is still open to anyone living in the Tang Hall Big Local area, and as a member you will get exclusive members only access to events and activities, entry into a monthly raffle, a monthly newsletter and loads of other perks!

To sign up, simply get Tang Hall Big Local with a proof of address using any of our contact details on the back page.

Or alternatively, pop in to see us at the Community Centre!

## Breakfast Club - A Volunteer special!

JACQUELINE SELLARS

Friday mornings mean volunteering at Tang Hall Big Local's Breakfast club. We provide delicious porridge or fresh granola to eat in or take away as well as our waste food shop. There is also a chatty table for those wanting to have a sit and natter with other local residents. The event is pay as you feel and the money donated by attendees goes back into the supporting of the event.

My role is to help in the outdoor kitchen in the Food Co-Op which is a converted shipping container. I love taking breakfast orders, catching up with the regulars and making up the granola. At the end of the session I help to clean down the container, help to wash all the utensils and lend a hand with whatever else is needed. We are a small team who have worked together for over a year through wind, rain, snow and even some sunshine! We had to start the project outside due to COVID regulations and keeping people safe but as restrictions have been lifted we have moved into the main hall at the community centre and can offer teas and coffees to anyone who wants to stay and have a chat.

The regular customers have told me how important Breakfast Club is to them. For some it was their first introduction to socialising following the lockdowns, and for others its a chance to pick up fresh fruit and vegetables and to have a meal cooked by someone else is joyful.

I love the team I am part of and I love the warm greetings I get every Friday morning. Its a busy, busy three hours but I always leave with a fabulous loaf of bread, a tired feeling and smile on my face.

The porridge is exceptional.. and the waste food shop fruit and veg is so fresh like a county market!

# YOURCAFE

LISA MAUDER-WOOD

Yourcafe was set up in 2015 to try to combat the amount of waste food being sent to landfill. It was also hoped that this project would be of benefit to the local community of Tang Hall. For all of us here at YourCafe it is about tackling food waste and promoting community spirit. Each week over 500kg of waste food is being collected from supermarkets such as M&S, Co-Op and Waitrose by an amazing team of volunteers. We collect everything from bread and milk to fruit and veg to name but a few! During lockdown we worked in partnership with Tang Hall Big Local in order to support local residents and continue distributing food to families and residents in need. With the easing of restrictions, YourCafe has once again opened its door with a weekly food hub and cafe offering hot drinks, homemade cakes and lots of lovely chatter. If you want to help with reducing food waste, a cuppa and a friendly conversation you'll be offered a very warm welcome!
